**Time:** 1pm.

**Club will Supply:** Plastic ware, pop and water & roast beef sandwiches

**Each member brings:** A covered dish

**Club Meeting:** Follows the picnic

Linda Overly's email concerning the picnic:

On October 16th, we will have a club picnic at "Woodside". It will start at 1:00 and we will eat first. Club will supply plastic ware, pop and water. We will have roast beef sandwiches and ask each of you to bring a covered dish. We will eat first and then have an important club meeting. We need to wrap up this year and make some decisions for 2012. After the meeting, I will have the rats and we can do some tunnel work if you choose to bring your dogs. This may be a good time to end the year on a positive note. We will have this if there is a slight rain, but in case of snow (don't laugh - this happened at our test on Oct. 18th in 2009) it will be canceled. I will e-mail you on Sat. AM the day prior, if the weather is to be really awful. This can be a beautiful time of the year and can be enjoyable, but really not fun when the weather is inclement. If it should be canceled, we will still have a board/nominating committee meeting - place to be announced.
